

Dear friends, as one of the many people who have benefited from attending retreats at Vajraloka we're sure you'll be interested to hear of a fundraising initiative we are making.

Over the years, Vajraloka has striven to keep the costs of retreats here low to enable as many people as possible to join us. However, it is always a fine balance between keeping our rates low and having sufficient funds to maintain and upgrade the facilities. A consequence is that we often struggle to carry out necessary improvement work and also are often not able to offer people discounts who are unemployed or on low income.

The Vajraloka team are hoping that as someone who has felt the benefits from attending retreats here, you may be interested in becoming more involved in our work.

We are trying to raise additional funds from our supporters so that we can improve and upgrade the facilities.

In addition we would like to be able to better serve and support those who'd like to come on retreat but are prevented from doing so because of limited means.

**If you'd like to help Vajraloka and others, you can do this in two ways.**

1. By setting up a regular standing order with your bank and donate to us on a regular basis.
2. Making a one-off donation

You can become more involved in the work of Vajraloka by making a regular standing order donation today. Many thanks!
